

ODPA Service Hour Policy

ODPA Family Service Hours Information

We understand that each family is different, and some can do more than others.

Here is the breakdown of hours:

1. Each family, regardless of number of children enrolled, from Kindergarten through 8th grade needs to donate **6 hours** of volunteer service throughout the school year.
2. Single parent families with children from K-8 = **4 hours** of service.
3. Parents of P-2, P-3 and P-4 = **2 hours** of service.

****PLEASE MAKE NOTE: If you are unable to fulfill ALL your service hours a fee of \$150.00 (families with children in K-8th) or \$100.00 (families with children in P2 through P4) will be charged at the end of the year prior to final reports cards/records being released.** This fee will be to cover the cost of added outside help to run the event(s) efficiently. We would much rather have parent participation!! However, if too few parents volunteer for O.D.P.A. activities, and we do not have the funds to compensate outside help, we will cut back on the events that benefit our children and school family. We sincerely hope to be able to continue with our special school activities! THANK YOU!

4. Parent Service hours and Work Scholarship hours are separate and do not overlap.
5. Parents report their service hours by completing a timesheet during the event or by e-mailing parents@odcapa.org
6. Families will receive a reminder quarterly during the year regarding their need to participate in the program.
7. Watch weekly connections for the sign up genius link so that you can sign up for the events you wish to help. In addition to signing up with the sign up genius link, you will also complete a service hour slip the day of the event to record your time worked.

Please send any questions about service hours to parents@odcapa.org with a subject of "Service Hours"
