

WINTER CAMP INFORMATION 2018-2019 School Year

Open Door Christian Academy invites international students to join us during the Winter Camp months of January and February. The students will have the opportunity to participate in all school activities while being immersed in an English speaking classroom. They will be able to take music, gym, art, and computer class as well as the regular subjects. Some of them have made friendships in the past that extended beyond their visit to the school. We will work hard to have the students welcomed and engaged in everything that happens daily at the school. There will not be any grades, progress reports or certificates as they are not here on an I-20. If any student is interested in continuing their education beyond the Winter Camp visit, we will provide the I-20 paperwork and begin the process of admittance. It is our prayer that the experience each student has at Open Door Christian Academy will grow their academics and character even in the short time the Winter Camp students participate.

Blessings,

Tarah J. Ferrier, M.Ed
